ABANDONED UNINTENTIONALLY

U.S. APPLICATION NO. 09/858,402

Honorable Commissioner of Patents and Trademarks

Sir:

OFFICE OF PETITIONS

I respectfully request that the above identified patent application be revived. The entire delay in the filing of the required reply from the due date for the reply until the filing of a grantable petition was unintentional. More specifically, due to the inability of the applicant to respond to counsel because of business issues associated with the collapse of the telecommunications industry and financial limitations, the applicant was unable to respond with a RCE filing, but did not intend for the application to go abandoned.

Credit card payment form for fees of \$650 and fee transmittal form are enclosed with this communication along with the completed form PTO/SB/64.

Respectfully submitted,
